

FOREWORD

School One is celebrating its Golden Anniversary! Just fifty years ago this school year, School One opened its doors for its first class. It is the story of School One and the schools which came before it that we wish to tell in this book.

We gathered our information for our story from very old records, from speakers who came to our room, and from questioning our parents and friends.

We wish to thank Miss Anna Littell, Mr. Richard Gendall, Mrs. Paul Tuzo, Mrs. Harmon Hartvigsen, Mr. Alexander Muir, Mr. Paul Van Ness and all of the teachers of School One who have so kindly answered the many questions we have asked of them.
