Twice a month we have a fire drill so that we will not get excited if there is a real fire and will be able to leave the building quickly. Each class has a special stairway and door to use. Sometimes we practice having one stairway blocked off as it might be in case of a real fire. As soon as the fire alarm rings, we are to get out of doors as quickly as possible but we must not talk or push or run. Mr. Van Ness times us to see how long it takes to clear the building. It is usually about one minute.
