

It is our pleasure to welcome you to the 200th Anniversary Commemoration of the Battle of The Short Hills and to join us as we honor the brave men who faced death and devastation of their homeland to give us the tranquil life we enjoy today.

The creative talents and time of many volunteers throughout Union and Middlesex Counties have been offered freely to bring about this Commemorative Weekend and the monument of the battle. We are especially grateful to the Union County Cultural & Heritage Programs Advisory Board, an agency of the Board of Chosen Freeholders, for sponsoring the Brigade of the American Revolution and giving us the 18th C. encampment and battle re-enactment, and also to the members of the Italo-American M. B. L. S., Inc. of Scotch Plains for their labors on the monument's base.

We fully appreciate and thank all the service clubs, civic and municipal organizations and the general public for their help, financial support and interest in making this celebration become a reality.
