"War in the Countryside, The Plunder and The Battle of The Short Hills"
by Frederic C. Detwiller

An 88 page account with over 30 illustrations and maps on an important battle of the Revolutionary War, forgotten by historians, but vividly brought back to life with eye-witness accounts, military records and the claims of the local residents for damage suffered through the conflict.

\$5.25 for soft bound

\$10.50 for hard bound

Order through local bookstores or
Interstate Press, Box 1032, Plainfield, N. J. 07061
