

Ireneo Marcovecchio

Giacinta and Ireneo

This was my mother's oldest brother. He and his wife lived in Montazzoli all their lives. Joe came to America in the 1960s; Concetta lived in Canada for awhile and then returned to live in Italy.

I met my aunt and uncle when they visited their son and family. I recall my uncle saying how difficult it would be to return to Italy. America was such a grand place.
