

## 2041 Mountain Avenue

The 1930 census lists Felix Iaione 35, his wife Clementina, age 26, and children--Mary, 5; Antonio, 3; Joseph, 2; and Frances, 1. They lived at 96 (sic) Mountain Avenue, they didn't have a radio. The house was purchased for \$3,000 from Rose and Joseph DelNero, descendants of one of the original Italian settlers in Scotch Plains. The Iaiones lived here until 1954 when they moved to a new home on Front Street in Scotch Plains.
