

Your Uncle Luigi is also very charming, and he seems to have a perpetual smile on his face (he has all his teeth). His wife, Estherina (24 years younger) is a wonderful cook and fed us lots of macaroni. They own a store, which is now run by their sons, Augustino and Salvatore. Those two were very polite, and Luigi and Augustino were the only two men in Montazzoli who went near a dirty dish!

I will tell you more when I see you--but I am leaving for Greece tonight and want to get this in the mailbox.

Love,
Terry
