

Acknowledgments

We would like to thank the Townships of Scotch Plains and Fanwood for their commitment to the Historical Society and the Osborn-Cannonball House museum. We are deeply indebted to the Historical Society of Scotch Plains and Fanwood which permitted us access to their extensive collection of photographs and memorabilia. Every effort was made to retain accuracy in describing the images. We hope that this compilation will serve as a permanent record of the Historical Society's devotion to our local history. Of course, the photographs have been donated to the Historical Society by many individuals and families; we thank those who had the foresight to donate these historical images for future generations.
