

POLICE DEPARTMENT

An efficient Police Department, with the most progressive equipment, is on the job 24 hours a day, every day.

The force consists of a police chief, a captain, two sergeants and nine patrolmen. This staff is augmented by special police who act as substitutes, as school crossing police and on special assignments.

Police headquarters is in the *Municipal Building on Park Avenue*. An officer is in attendance there at all times. The radio transmitter at headquarters enables him to be in constant communication with the three radio patrol cars equipped with 2-way FM radio, fire extinguisher, first-aid kit and other gear necessary for police duties. Two of these cars are patrolling the more than 60 miles of streets and roads 24 hours a day.

Two members of the force are fingerprint experts. Every officer is trained in first-aid.
