## "The William McGinn Fund"

Dr. William J. McGinn, for whom the new elementary school is to be named, has given many years of dedicated service to the town of Scotch Plains, its schools and his individual patients. For many years Dr. McGinn never sent a bill, collecting only what was sent to him freely. He is now seriously ill and a fund has been set up so people can show their appreciation if they wish. (Mr. Wilgus, principal of Brunner School is in charge of this fund). For this purpose several cannisters will be strategically placed in our school at Back to School Night. Any contributions will be gratefully accepted.
