## CHARLES TINARI LIBRARY

Last spring, many students and parents chose to honor Dr. Tinari's memory by donating to the Charles Tinari Fund. Since the Shackamaxon library was created through Dr. Tinari's foresight ten years ago and grew in quality through his guidance, it was felt that the money from the fund should be used to purchase books for the children. These books, some of them chosen by the students, have been placed on the regular shelves for circulation. Our library has been further enriched by the donation of many books from Dr. Tinari's personal collection.

## Penn's Treaty by Benjamin West

One of Dr. Tinari's favorite paintings, "Penn's Treaty with the Indians" by Benjamin West and a plaque were purchased. The painting which shows the signing of the treaty with the Shackamaxon Indians and the plaque are displayed in the library along with a sketch of Dr. Tinari by Mr. Frank Thorne, a local artist and a Shackamaxon parent.

## Sketch of Dr. Tinari

We are grateful for the many gifts to the fund and to Mrs. Tinari. We hope parents will continue to support the Charles Tinari Library as it develops a media center to better serve the needs of the children.
