The BLUE RAIDERS opened their season with a 20-2 win over Metuchen. The team under Coach Remcho's direction showed beautiful team-work and played as a unit throughout the game. The first touchdown was made by line man Galen Mc Gowan who picked up a fumble when Jack Todd hit the Metuchen passer. The second touchdown was made by Shreve who bucked over from the yard line. Sylvester kicked the extra points. The last score was made on a fine 48 yard pass- Shreve to Winston.

The next game against North Plainfield resulted in a 12-0 defeat. Our boys looked like a different team from the previous week, and apparently were frightened to defeat. They outplayed North Plainfield in many points of the game but lacked a scoring punch. No. Plainfield's first score came on a beautiful pass and lateral. The second was practically handed to them by our over anxious line who three times in succession gave North Plainfield off-side penalties, finally putting the ball on the one-yard line with 4 downs to go.

Bernardsville took the Raiders in to camp by a 13-12 score. It was a fine game to see, the first half ending in a nothing to nothing tie.

Then Bernardsville came across with touchdowns in the 3rd and 4th quarters, - and with only four minutes to play our boys woke up - a touchdown came through fine work by Winston who made three plays on the weak side of the line covering good yardage to score. Sylvester missed the kick for point. When Bernardsville fumbled on the 40-yard line, the Raiders recovered and Shreve uncorked four accurate passes, three to Winston and one to Todd, carrying to the 11-yard line. From there Shreve carried the ball on a weak-side buck for a touchdown. The boys tried for the extra point by a line play but failed to make the necessary ground.

The student body supported the athletic program this year better than they have in a good many years. Season tickets cover all sports and

OH, WHAT A BEAUTIFUL HUNK OF MAN!

A few of our service men home on leave are always to be seen at every high school football game. They are always the objects of admiring glances from the fair sex, and as we passed one group of bobby-soxers, we overheard one say of a passing young man, "Oh, what a beautiful hunk of man!"
