<i>Secretary</i> .....	MARION MACCAULEY
<i>Treasurer</i> .....	CORNELL ANGLEMAN
<i>Advisor</i> .....	MISS AYERS

The Library Council was organized in 1942 to interest students in the school library and its operation. The members spend at least two periods a week in the library performing routine work, such as replacing books on shelves, charging books, keeping books in order and preparing books for circulation.

Meetings are held semi-monthly under the guidance of Miss Ayers, the librarian. Committees meet also to repair books, plan programs, prepare special exhibits, keep a scrapbook of local and school history, make posters, and conduct correspondence with library groups in other schools.

Senior high school students are eligible to membership, providing a good scholastic average is maintained and evidence of a real interest in books and library work is shown. One credit for a year's membership is given. Some eighth grade students are admitted, but they receive no credit.
