The Ziggity Boom Club is made up of six varsity and eight junior varsity cheerleaders. These cheerleaders have done much to promote good sportsmanship and cooperation among our student body, by always being ready to cheer our teams on to victory, and by doing much to make our pep assemblies huge successes.

Every year there is a drive for new members for both the varsity and junior varsity teams. The girls are chosen for their pep and ability to lead our student body in cheering.

This club has sponsored dances following some of the basketball games and has also sold pins in the school colors.
