

JOAN KAUFFMAN

"Jo"

Library Council, Culmen Staff

Here is the quiet half of the Kauffman-Helbig twosome. Pretty as a picture with dark hair and a peaches-and-cream complexion is Joan. She is to be commended for her fine cooperation with all organizations in all events by "lending a helping hand" when it came to art work.

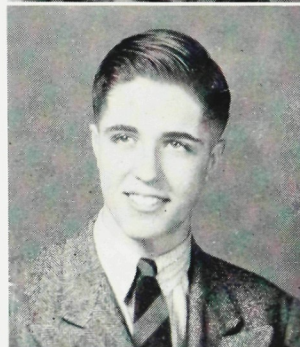

DICKINSON KEARNEY

"Dick"

Student Council, Varsity Club, Service Club, Culmen, Senior Play, Football, Track

"Laugh and the world laughs with you" might well be Dick's motto. This amicable and witty Senior has been an active participant in sports and the very capable President of the Service Club. Upon graduation his aspiration is the "Navy V-12," specializing in Chemical Engineering.

KATHERINE KEYES

"Kitty"

Phi Sigma, Junior Play, Senior Chorus, Band and Orchestra

Individual and attractive Kitty is a superb stylist at the piano. Some day Kitty will break records at Carnegie Hall and until that day she intends to work hard to attain that end. Her possibilities are great and her frank and open manner should insure her success.

JEANNE MARIE LEMAL

"Jeannie"

Junior Play, Senior Play, Student Council, Fanscotian, President of the Phi Sigma, President of the Library Council and President of the Ziggity Boom Club

This lively and lovely young lady is one of the prettiest brunettes who graces the hall of our Alma Mater. She has always worked for the school with sincerity of purpose. September will find her enrolled in Ohio Wesleyan.
