HI-TRI, besides being a world of fun, has served two other purposes. First and foremost, it has created a friendly companionship among its twenty-seven members; secondly, this organization sponsors at least one important project each year for the high school. This year the girls sponsored the Sixth War Loan Drive and set as their goal, a \$3,000 "Flying Jeep." The club can be highly congratulated, for the goal was surpassed. The girls have also done some knitting for the Junior Red Cross.

Social activities included a backward date, a trip to New York, a Christmas party, several hikes and the annual banquet.

Miss Catharine Mingle, club advisor, was assisted by Miss Gloria Alonso.
