## Moonglowers

*President* ..... DOROTHY BALL  
*Advisor* ..... MR. JOSEPH CHECCHIO

The Moonglowers, the dance-band of Scotch Plains High School, has enjoyed another successful year under the able leadership of Mr. Joseph Checchio. Although the group lost some of its members to the armed forces, its ranks were increased by several seventh graders.

The Moonglowers played after evening performances at school, in assemblies, and were enthusiastically received by Metuchen High School in an exchange assembly. Always popular with the high school students, the band's renditions of all the latest numbers leave nothing to be desired.
