The Student Council has representatives from all homerooms. These students gather at various meetings and discuss any important matters which are brought up. This is supplemented by a question box which is located underneath the main bulletin board. Anyone may drop in a suggestion. These are greatly desired by the Council and will be considered.

Once again the Council sponsored a Roller Skating Party. They also sponsored a dance after one of the basketball games. The Council purchased a greatly needed flag for the school. We had one student council Assembly program. They provide the opportunity for the whole school to see how its Council actually functions.
