

### ROLAND ACKERMAN

Football, Mixed Chorus, Dramatic Club, Boys Chorus, Junior Play, Spanish Club, Senior Play, Assembly Committee.

A quick wit who knows his sports! "Ackie's" voice and opinions are well known around school. He has been a prominent member of many impromptu singing groups. His clever acting has added much to our pep assemblies and class productions. "Ackie" wants to "do something in which I will be happy and make a lot of money!"

### PATRICIA ADELMAN

Commercial Club, Girls A.A.

"Pat" is an amiable lass, well liked by everyone. Has determination to succeed in everything she attempts. Never a dull moment with her! Hobby? Why driving, of course, anything from a Model "A" to a '48 Buick. Plans to enter some field of secretarial work, but family life seems more interesting.

### JENNIE JEAN APPEZZATO

Jennie will long be remembered for her slow easy smile and her quiet sense of humor. Her main interests center around nice homey things like sewing and knitting. "Jen" is a neat dresser and the possessor of pretty black hair. She wants to be a dressmaker after graduation.

### MARK WILLIAM ASPER, JR.

Basketball, Football, Culmen, Vice-President of Junior Class.

An all around athlete, "Bill" has been a familiar figure in the halls of SPHS and on the athletic field as well. His roguish grin and irrepressible personality have won him many friends and brightened many classes. Bill's sportsmanship and willingness to work will surely be an asset in whatever field he chooses to enter.
