JAMES R. BOLAN

Here's that happy possessor of the honest-to-goodness ear-to-ear grin which brightens up so many of our classes. It's a contagious grin, and goes hand-in-hand with his happy-go-lucky personality. His readiness to debate—oh!, those P. A. D. classes!—and his ability to adjust himself to almost any situation will stand him in good stead for his future work, we feel sure.
