

JACK COWAN

Freshman Class President, Basketball, Spanish Club, Varsity Club, Boys A.A., Baseball, Vice-President of Student Council, Culmen, Golf, Fancotian, Library Council.

Jack has led a varied life, his likes are many, but, we're told, his first love is basketball. Jack is always good for a laugh! He has been one of our able student leaders ever since junior high days, and in this, his Senior year, he's been an able Vice-President of the General Association. Jack's plans go as far as college, but after that it's a big gray fog.

ROBERT JOHN D'AMATO

Football, Track, Basketball, Culmen, Boys A.A., Varsity Club, Spanish Club, Fancotian.

"Bob" is a rugged, good looking fellow with an excellent athletic record and a marvelous disposition. Is an asset to the field of sports. Having withstood the gal's titters and boy's jokes, Bob has been made a member of the Frat! Plans to enter the field of Physical Education after graduation.

MARY ROSE DELNEGRO

Girls A.A., Commercial Club, Culmen, Fancotian, Chorus.

Petite, bright eyed, and peppy! Loves to **indulge** in a good book or popular music. Spends most of her time after school in the typing room. Main desire, this year, is to keep her two "bosses," Miss Mingle and Mr. Herbert, happy. Has acquired the title of "Little Miss Mimeographer." Always found cheering the boys on at any football game. Hopes to attend a secretarial school after graduation.

PATRICK DELNEGRO

One of the quieter members of the Senior class, "Pat" finds a good deal of enjoyment in shop work. A sincere Crosby devotee, he likes to listen to music on the mellow side. Jazz, too, is strictly all right with him. The immediate future will probably find Pat attending night business school.
