

### BETTY CLAIRE DEMAREST

Fanscotian, Phi Sigma, Treasurer of Girls A.A., Vice-President of Commercial Club.

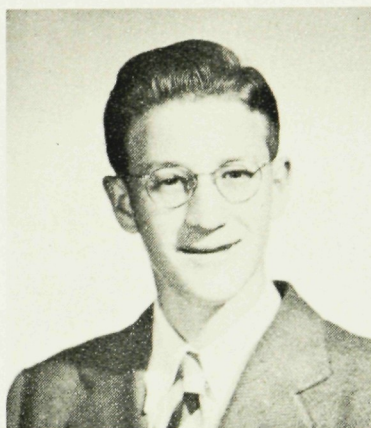

O-oo look there! Isn't she pretty? She sure is! We mean Betty, all right, with her blue eyes and ready smile; she's always willing to do something nice to help out a pal. Betty has become quite a necessity around school in her quiet, efficient way. Betty just wants to go on doing nice little things, preferably in an office after June, but she'll take time out for some of her hobbies, which include dancing, her record collection, and throwing parties.

### JOHN DETLEFSEN

Library Council.

The quiet little guy that really delivers the goods! Literally and figuratively, Johnny is a person who lives to eat. Likes to read and is interested in football from a spectator's point of view. Says women occupy an increasing amount of his time! Johnny wants to study agriculture at Rutgers, after a P. G. at "dear old S.P.H.S."

### CAROL LOIS DeVOS

Girls A.A., Treasurer Sophomore Class, Culmen, Spanish Club, Service Club, Senior Play.

Carol's laugh just bubbles over like a fountain of soda water. "CDV," as she is called, is well known for being a "character." She is always ready for fun, and she likes to be fancy-free. Carol loves swimming, laughing, and reading. She has a pet desire to drive a purple Crosley, and claims that other than college "her future's in doubt."

### ANTHONY DI FRANCESCO

Chorus, Basketball, Track.

Well known for his happy-go-lucky manner and pleasant personality, "Tony" has a hearty smile for everyone. Full of never-failing energy, and sarcastic come backs. Enjoys dancing but prefers jitterbugging to slow dancing. Likes to participate in any kind of sport. Has intentions of going to college after graduation.
