

WILLIAM HAROLD DI NITZIO

Band, Orchestra, Moonglowers, Boys Chorus, Mixed Chorus, Senior Play.

Bill, the music man! An asset to the Music Department. Has exceptional ability on the woodwinds. Cheerful! Noted for coming out with humorous remarks in Miss Higgins' English class. He has a quick wit and always enjoys a good time. Bill hopes to begin a career in television, or maybe, continue his music.

PHIL DI NIZO

"Geno" is a quiet fellow, but his fine attitude and unassuming nature have won him many friends, who assure us that "Geno's tops!" We hear he's really a genius in book-keeping. After graduation, his thoughtful nature and efficient manner should carry him far in his chosen field.

ROBERT DONATELLI

Stage Crew, Golf Team, Boys Chorus, Boys A.A.

Short, fun-loving, "Baggy." Always with a magnetic smile and a line of chatter that'll outdo anybody. Popular and a lot of fun. Generous and always ready to lend a helping hand. "Baggy" wants to join the Navy after graduation.

NORMAN EANNUCCI

"Norm." Brown hair and big brown eyes. Norm is deceptively quiet **in school** and often looks secretly amused. Always ready with a joke. Likes to eat anything. Favorite sports are football and baseball. Claims he hates girls. (We, somehow, don't believe it!) Has plans to become a mechanic.
