

RICHARD FOWLER

Football, Boys A.A., Spanish Club.

"Red." This tall, be-freckled, red-head is a wiry, energetic fellow with a cute grin. Quiet **in class** and around girls, but then "Red" doesn't need words. Hunting and football are favorite sports. Interested in dairy farming, he plans to attend Agricultural School after graduation.

PAULA FOX

Phi Sigma, Girls Chorus, Mixed Chorus, Commercial Club, Chairman of Senior Banquet.

"Paula." Another typing room gal! Very busy, but always dependable. Sure to make some boss happy some day! One of our intelligent members, her cute smile and good humor have won her many friends. Enrolled in secretarial course, she will enter the business world after graduation.

VIVIAN GAINES

Tall, vivacious Vivian, better known to her friends as "Bitsie," can usually be found participating in some sport. Basketball, in which she is an asset to any team, is her favorite, but baseball and hockey are close behind. The future will find Vivian keeping house for some lucky gent!

HERBERT M. GARDNER

Stage Manager, Student Council, Band, Orchestra.

"Baby Traps"—that was Herb's nickname when he was little, because he liked the drums so well! Now, he's just Herb, but the drums are still with him and **us!** What would our assemblies be without Herb? As stage manager, he's done a swell job that will help him in his intended life's work, radio!
