

JOSEPHINE GIARDINO

Commercial Club, Girls A.A., Fancotian, Culmen.

Poised and neat, "Joie" is a very efficient and capable worker. Full of vitality and spirit, she is the possessor of a sparkling personality and a wonderful sense of humor. Craves anything good to eat. Loves to jitterbug and is definitely **fast** on her feet. Is planning to attend the Northeastern Secretarial Institute after graduation.

FRANCES CORNELIA GOBBY

Chairman of Make-up Committee, Service Club, Commercial Club, Art Club, Culmen, Girls A.A.

Well, here's Frances, brush in hand, 'cause any kind of art fascinates her! Dancing, especially tap, is quite all right with Frances, too. A faithful Yankee fan, the lucky girl saw that terrific fourth game of the World Series! She also enjoys reading and—strange!—eating. Fran would love to do window displays and store decorations; that's why she plans to go to art school after graduation.

DOROTHY GOLDEN

"Dot" is one of our more vivacious seniors. At first, she is thought to be quiet, but those mischievous brown eyes are a dead give-away, and that giggle—how could we forget it? Her plans for the future are indefinite, but she does want to do some sort of office work. We know she'll make out fine; look at those wonderful grades in bookkeeping!

AUDREY GRUSKIN

Commercial Club, Senior Play.

Audrey—another of our hard working secretaries. A really nice girl and a dependable worker. Always busy with Mr. Callaghan's or Mr. Moore's secretarial work. Odd moments find her swimming, horseback riding, or, best of all, dancing. Certainly suited for it, Audrey plans secretarial work after graduation.
