

THELMA ELIZABETH HARRIS

Girls Chorus, Mixed Chorus, General Association Treasurer, Typing Editor of Fanscotian, Commercial Club, Service Club.

One of the sweetest and most capable girls, Thelma has been invaluable to the class. Possesses a **sunshiny** disposition. The clickity-clack of her knitting needles has kept the class well supplied with mittens and socks. She has done her work neatly and conscientiously. With all these fine qualities, she is sure to be a successful secretary.

LOIS MARIE HARTVIGSEN

President of Library Council, Girls A.A., Culmen Pictorial Editor, Service Club, Student Council.

It's a bird, it's a plane—no, it's Lois performing one of her many duties. We owe much of the success of our Senior year to this busy miss! Possesses a magnetic personality and a smile to match it. One of the best liked seniors, Lois has a wide circle of friends. This amiable personality certainly should help out in her chosen profession, nursing.

JEAN ANNE HARVEY

Girls A.A., Ziggity Boom, Junior Play, Culmen, Vice-President of Senior Class, Projection, Vice-President of Phi Sigma, Service Club, Senior Play.

"Jeanie." One of the sweetest gals in the senior class. A welcome addition to any crowd! One of the cheerleading squad's peppiest members. Jeanie has a lot of dramatic ability. We'll always remember her splendid interpretation of Charwanka in the Junior Play. Jeanie wishes to enter the field of medicine and will begin her studies next fall.

DICK HEY

Baseball, Track, Basketball, Junior Play, Student Council, Band, Boys Chorus, Mixed Chorus, Senior Play.

"Hey Hey" is a cute cookie if we ever saw one! His laugh, humor, and love of sweaters are known to one and all. Dick made a good sailor in our junior play, but he "can't see it" for a career. Acting, he claims, looks like a good future for him, so he'll be off to dramatic school next fall.
