

### **KENNETH ALLEN JORDAN**

*Orchestra, Boys Chorus, Library Council, Track, President of Senior Science Club, Football, Boys A.A., Projection Staff, Senior Play.*

"Ken." Serious, but fun. Known for his brilliant work in Physics and Mathematics. Hobby? Working with electrical appliances and radios. Can square-dance better than any ol' cow-puncher!! Ken hopes to become an electrical engineer, but he isn't sure what school he'll attend.

### **BOB KRAUS**

*Baseball, Basketball, Boys A.A., Student Council President, Culmen, Fancotian, Service Club, Mixed Chorus, Boys Chorus.*

"Bob," president of the General Association, possesses unsurpassable leadership qualities and a warm sense of humor. Dark haired, with a charming personality, Bob is active in both basketball and baseball. He is one of our cleverest southpaw pitchers. Hopes to enter college after graduation to become a history teacher.

### **WALTER LANGE**

*Track, Boys Chorus, Library Council.*

"W. C." If it's a question about automobiles, obsolete, or still in the running, Walt's the one you want to see! Track and football are tops with him, too. As for music, the old squeeze-box (accordion, to the less informed) is still the main interest. Walter is planning to head for Maryville College next fall, where he'll probaby major in German.

### **PATRICIA ANNE LEA**

*Library Council, Girls A.A., Girl's Chorus, Culmen, Vice-President of Spanish Club, Service Club, Fancotian, Senior Play.*

That "Inevitable Pat"! Never a dull moment in any of her classes! Unknowingly, she is one of the class comedians. Known for her numerous imitations. Eager to be with children any time, she is the Pied Piper of Fanwood without the pipe, just charm! Hopes to attend college and, later, work with children.
