

AUDREY LOEFFLER

Service Club.

Blonde, tiny Audrey. Known for her dancing and her "man." For some strange reason, she is very interested in the atomic bomb and the South. And wouldn't she make a darlin' southern belle? Lots of friends, a proof of that swell personality. Audrey's many talents are sure to aid her in her life's work.

BOB MC GINNIS

There's that industrious young art student, busily sketching away. He looks up, and we see it's Bob. He is also a confirmed devotee of that ancient sport, swimming, and "most anything else." With his good-natured grin and pleasing personality, we're sure Bob will make his way in the world.

DOROTHY MANCINI

Girls A.A., Twirlers, Chorus, Commercial Club.

When football season rolls around next year, SPHS will miss Dolly, one of the high stepping senior twirlers. Her cute giggle and lovely dark hair are just part of her personality! After graduation Dolly plans to attend Wilfred's Beauty Academy to study beauty culture.

SUSSANNE MARTH

Girls A.A., Band, Culmen, Girls Chorus.

Being tall, blonde, and blue-eyed, "Trudy" is quite a little cutie! Has proved to be capable in everything she has undertaken, especially in the field of music. Sue has a ready smile for everyone, and she plans to attend a conservatory of music to study choral directing.
