Treasurer .....	Ken Miller
Advisor .....	Mrs. Poulson

## Art Club

This year, the Art Club, under the guidance of Mrs. Poulson, has been very active around school. The club was formed as an outlet for the artistic talents of any interested students. The Christmas scene on our front doorway was painted by the group and they aided on the various other decorations throughout the school. The club has offered a service of making posters as publicity for any school organizations. They are planning a field trip to a nearby church to study the stained-glass windows.
