

Spanish Club

Los Majaderos, our Spanish Club, was reorganized in September, with Miss Lenora Rossi as faculty advisor. The club name was adopted some years ago, and, loosely translated into English, means "Blockheads."

The purpose of the club is to develop the interest of the higher-ranking Spanish students in the language and customs of Spanish-speaking peoples.

The club's main social event, as in the past, was the annual Spanish dance. Usually a Spanish band is employed to provide a real atmosphere.
