

Twirlers

DRUM MAJORETTE, Dorothy Webster

Scotch Plains High has been very proud of the twirlers who, at each game, led the band onto the field. Their initiative and skill has added much to half-time programs. We give them a vote of appreciation for their hard work.

Ziggity Boom Club

The Ziggity Boom Club is composed of Varsity and Junior Varsity cheerleaders. These peppy, attractive girls are always seen cheering the athletic teams on to victory. With their primary aim to promote good sportsmanship and cooperation among the student body, the cheerleaders, who are high spirited themselves, have done much to heighten the spirit of the crowds.
