

# Orchestra

The orchestra, under the leadership of Mr. Wojnarowski, also had a busy year. It was called upon often to take part in special assembly programs, including a beautiful Christmas program, the National Honor Society Assèmbly, the Easter Assembly, and various others. As a rule teen-age audiences do not like or appreciate classical music, but the orchestra received many fine comments after their various performances. Many new members came into the organization this year, so there were many inexperienced people to deal with, but the "Night of Music" proved that nothing could stop the orchestra. They played better than ever!

President .....	Doris Borrow
Vice-President .....	Joan Elsener
Secretary-Treasurer .....	Barbara Green
