

The Phi Sigma is the school honor society organized to include more honor students than may be admitted to the National Honor Society. It consists of the twelve seniors and the twelve juniors ranking highest scholastically in their classes. In case of a tie, all who are included are admitted.

In addition to the compiling of the list of those on the honor roll, the club spent a great deal of time and effort working on a student handbook to be distributed next year.

Under the guidance of Miss Roberts, the club's advisor, the Phi Sigma sponsored a dance following a basketball game. Later in the year, the club members attended a Faculty Tea.

Phi Sigma
