

## *"The Man Who*

From the very words spoken by Whiteside, "I may vomit," to the curtain call an excellent job of acting and characterization was done by a large and entertaining cast. Never shall we forget Whiteside's subtle humor, Miss Preen's glasses, Maggie's love for Bert, Harriet's high-pitched voice, Professor Metz's cockroaches, Bert's mustache, Lorraine Sheldon's dramatic speech in the mummy case, Beverly's melodious voice, Banjo's fur coat, or all the other characters who made our Senior Play, under the direction of Miss Higgins, a huge success.
