

TO A DEAR FRIEND

Mary A. Galt

DEDICATION

High school for us, has been more getting than giving. Now, at the end of our senior year we have a big gift, our year book. It is our turn to give to a friend who has pushed, pulled and helped us from "Snowbound" to "Idylls of the King" and from our first introduction to the noun and pronoun to College Boards. She has bolstered us up when we needed it and occasionally found it necessary to take us down a peg or two. Because with kindness and understanding she has given so much, we say, "Please accept this tribute from the class of 1950" to Miss Mary A. Galt.
