

CLASS OF 1950

ROSE MARIE BOLZNER

Girls' Chorus; Mixed Choir; Las Contadoras; Culmen; Commercial Club.

In her sophomore year, pretty little miss came to us from Brooklyn, New York. Rose Marie has added much to our class. Her sweet soprano voice was welcome addition to the choruses, while the commercial department found willing, hard worker. Her favorite subject is stenography and that explains why she aspires to be secretary.

GARLAND CECIL BOOTHE

Fanscotian, Sports Editor; Projection Squad; Student Council; Junior Play; Phi Sigma; Library Council; Science Club; Stamp Club; Latin Club.

"Boothie" will be remembered for his witty debates with most any teacher in school. As editor of the sports section of the Fanscotian, he made an outstanding record. He plans to study law, and from all we have been able to observe, G. C. will make an excellent lawyer. An ardent stamp collector, he has tried his hand at basketball and baseball, but finds tennis and badminton much more interesting.

WILLIAM MERRICK BRIGDEN

Service Club; Art Club; Secretary-Treasurer, Varsity Club; Football; Basketball; Track; Sophomore Class Treasurer; Fanscotian; Culmen.

A swell guy, "Chops" takes a lot of kidding and gives it out, too. It is evident that Bill enjoys sports. But before athletics, comes art. The class has long acknowledged him as one of its greatest assets in this line. After Brown University, Bill would like to enter the field of commercial art.

HERBERT REED BYARD

Football; Track; Basketball; Baseball; Varsity Club.

Believe it or not, Herby's favorite pastime is sports. He is always the life of the crowd—especially in Mr. Keller's classes. Though he generally knows just what is happening there, "Pretzel" does not know exactly what the future holds for him after college. Whatever he does, his bright personality is sure to keep him happy and successful.
