

SENIORS

BARBARA MURIEL CAMP

Fanscotian; Chorus; Las Cantadoras; Commercial Club.

Barbara is an extremely pretty and versatile senior. She sings beautifully, is an accomplished pianist and does wonderful fashion drawings. Her one weakness is jewelry and she has indulged in it to the extent of an interesting collection. She also loves dances, hikes and picnics. Barbara plans to become a stenotypist and is already studying at Northeastern Institute.

MARY ELIZABETH CARTWRIGHT

Ziggity Boom Club; Girls' A. A.; Secretary of Service Club.

Little, dark-eyed Betty is one of the cutest seniors. Always laughing, talking or cheering, she is anything but dull. When not involved in one of her time-consuming school activities, she likes to go swimming. Next year will find Betty training to be nurse at St. Luke's Hospital in New York.

DORIS MARIE CARTWRIGHT

Girls' A. A.; Spanish Club; Library Council.

Doris is the pert little blonde with a wonderful wardrobe which she makes herself. Her favorite hobbies include knitting and eating ice cream, and she simply loves all sports. After graduation Doris would like to attend a dress designing school, preferably in New York.

ANDRE JOHN CHARVET

Student Council; Service Club.

"Andy" is quite an agreeable and dependable fellow. Naturally he likes Model A Convertibles since he owns a bright yellow one which we often see flashing around town. Also on his list of likes are spaghetti, fried chicken, and steak. "Andy" is doubtful of his future but he would like to either join the Navy or become a mechanic.
