

CLASS OF 1950

MARY WILMA CHEPONIS

Junior Play; Library Council; Science Club; Projection Squad; Candy Committee; Girls' A. A.; Chorus; Culmen.

"Marie" is one of the senior class' most energetic and enthusiastic workers. Her favorite school subject is math and at home her hobbies are reading and children. "Marie" loves to keep busy and be with people. Having this disposition, she has rightly chosen her profession to be Child Nursing. Friendly and good natured, she is sure to be success.

DRUSILLA MAY CHRISTOPHER

Service Club; Moonglowers; Band; Orchestra; Junior Play; Culmen Staff; Library Council; Projection Squad; Latin Club; Vice President, Orchestra.

Here's the gal who always gets A's in her Time Tests. She's a musician, a student (a whiz in Chemistry) and a friend we love. We are all proud of Dru's accomplishments in All-State Band and Orchestra. She hopes to attend Bates in Maine and we know she will be successful in her chosen major—Education.

ALBERT CLARK

"Alby" is the outdoorsman of our class. He says his interests are hunting and fishing. We add—cutting up in class, and wild, wild "wimmin." Another popular fella, "Al" is seen at most extra-curricular events and dancing at noon-time. We wish him the best of luck in the years after graduation.

VICTORIA ANN CRITELLI

Vicki is one of the newer members of the class of "'50." With her quick sense of humor and friendliness she was not stranger long. She doesn't look athletic but she loves sports—mostly skating, tennis, and basketball. Vicki loves to dance besides. She plans to study at Drake Business College after graduation.
