JOAN ELYSE DINKEL

Assembly Committee, Co-Chairman; Band; Culmen; Girls' Chorus; Mixed Choir; La Contadoras; Fancotian; Orchestra; Phi Sigma, President; Junior Play; Service Club; Student Council.

"Dink," the little girl who is always on the go, is especially known for her musical ability. She is Fred Waring admirer and has spent two sessions at his workshop. She and "Werts" have made the assemblies highlights of the school year. After graduation, "Dink" is headed for Syracuse University where she'll study radio producing.

ADELINE DOLORES DI NIZIO

Library Council; Girls' Chorus; Mixed Choir; Culmen.

The Yanks, but natch! "Addie," a quiet, pleasant member of our class is literally crazy about any kind of sports. Football, basketball, and baseball are her favorites. We hear she likes to play popular music on the piano, too. "Addie" is sure to do well as secretary and we wish her loads of luck.

ARTHUR ANTHONY DI NIZIO

Baseball, Varsity Club.

Here's a guy who's always laughing. Crazy and fun-loving "Ott" likes food, living, and what else is there? Seen around Jefferson High on Monday nights is this black-haired Casanova. Ott is going to be a plumber and we know he'll have fun at it!!! We hope he'll always be as happy as he is now.

ANGELO ALPHONSO DI QUOLLO

A quiet, serious-minded fella is "Junnie." (Why do they call him **that????**) Usually seen whizzing around in a gorgeous new, shiny Pontiac, he likes girls and strangely enough, English. If the fates treat him right, "Junnie" will be a tailor and we know he'll be a good one. Best of luck in everything, to a swell senior.
