

CLASS OF 1950

ROSEMARIE FOWLER

Girls' Chorus; Girls' A. A.; Phi Sigma, Vice-President; Junior Class, Secretary; Spanish Club, President; Culmen, Typing Editor; Candy Committee; Student Council; Service Club; Junior Play; Mixed Choir; Citizenship Institute; Commercial Club.

One of our busiest seniors, unassuming Fowler is also one of the nicest. A gorgeous redhead, she has—how many freckles? She has participated in almost every activity there is and especially likes girls' sports. Rosemarie ("Pleez don't call me "Red"!)" plans to go into the field of teaching on grammar school level.

WILLIAM FRANKLIN

Football; Baseball; Track; Orchestra; Band; Moonglowers; Service Club.

Bill is outstanding for two reasons. One—he's about the most terrific thing that ever hit the Moonglowers. He hopes to tour the country with his sax, and a band of his own after graduation. And two—whom do you see out there on the gridiron, fighting his heart out for S.P.??? You're so right. It's "Bookie."

KATHLEEN SHANNON FOX

Commercial Club; Culmen.

Kathy, with the light brown, curly hair, is one of the quiet, amiable members of the senior class. Her hobbies are collecting souvenirs and swimming. Kathy likes Vaughn Monroe records and pizza and is usually seen with that blonde friend. After graduation Kathy would like to go to Tennessee for a while and then look for a secretarial job.

SUSAN ANN FRUSCO

Treasurer of Chorus; Commercial Club; Fancotian; Culmen.

There she goes! That's sweet "Sue," probably headed for Room 17 to make time with typewriter. Outside school Sue's hobby is collecting souvenirs. Football and baseball are her favorite sports and the food she likes best of all is chicken. Since "Sue" loves office work and typing, her life ambition is to be a secretary. She'll make a good one!
