

SENIORS

HENRY LEONARD GAINES

Football; Track; Golf.

Whizzing around the track and football field and "whapping" golf balls down the fairway is another good senior, Hen. It's natural to find him thumbing through the latest records for the newest bebop, jazz, or swing recording. Hen thinks he will go into the air corps after graduation, after which he hopes to jumble the insides of a car as a mechanic.

BARBARA ANN GARRISON

Chorus; Los Contadores; Spanish Club; Student Council; Fancotian; Girls' A. A.; Culmen; Sophomore Class, Vice-President; Mixed Chorus.

The girl with the pretty smile is "Beege," possessor of a beautiful voice. She deserves her presidency of the chorus. An enthusiast of football, basketball, dancing, and movies; "Beege" also loves dogs, especially her Shetland Sheep. Barbara hopes to be pouring solution from one test tube to another as a lab technician in a hospital in the near future.

ROBERT NEIL GATEWOOD

"A swell guy" is what his friends justifiably call him and his nickname "Smiley" is an apt one. He makes model cars and does pretty well with bowling ball. His favorite dishes are steak smothered with onions and corn with shrimp. Bob hasn't decided whether he will attend Newark Drafting School or enlist in the Navy.

JESSE CHARLES GRAVES

Football; Baseball; Varsity Club.

It is another Graves, Jess, owner of a flashy lavender shirt, who has done a good job hauling in passes for the football squad. He likes movies, floor shows—such as Bop City's, driving, and picnics with plenty of food. Jesse prefers Gershwin music to all other and has a collection of his records. He hopes to don one of the Navy's uniforms after high school.
