

SENIORS

JOAN AUDREY INGRAM

Secretary of Girls' Chorus; Girls' A. A.; Spanish Club; Culmen; Mixed Chorus.

Quiet but full of life, Joan is sure to be found in the heart of the fun. Her amiable cooperation and dependability have made her an asset to our class. Next year Joan would like to attend the Katherine Gibbs Secretarial School, and after that—who knows? But knowing Joan, we're sure it will be good.

ROBERT JOHN ISAACSON

Projection Squad; Vice-President, Student Council; Culmen; Varsity Club; Service Club; Baseball; Basketball; Football.

Where sports are concerned you'll always find "Ike." A football, baseball, and basketball star, he has always been capable leader. He is known for his black butch and his cynical humor. After graduation, "Ike" wants to attend college in preparation for career as dentist.

RICHARD JACOBS

Band; Orchestra; Moonglowers; Projection Squad; Science Club.

"Spoon" is the guy known for his maroon convertible. He is one of the famous Moonglowers, puffing out his cheeks on a saxophone. "Spoon" likes to drive that car of his and is always eager for a pinochle game (stakes not over fifty cents). Dick would like to go to co-ed college and study interesting things (blondes, maybe?).

LEMUEL STEWARD JENKINS

"Mousie" is rather quiet in school, but on the football field he is anything but! Although he doesn't play for S. P. H. S., he does a lot of playing for local teams. Lem's hobby is collecting records—either bee-bop, jazzy, or classical. After graduation he wants to attend trade school and then open a shop of his own as an automobile mechanic.
