

# CLASS OF 1950

**GORDON ARTHUR KEMP**

Latin Club; Science Club, Vice-President; Projection Squad; Student Council; Junior Play; Phi Sigma; Library Council; Stamp Club; Culmen.

"Well, now let me see." (Gordon's thinking again. Shhhhhhh!) Although sometimes he uses words we can't understand, it's not hard to tell that he's a swell guy. A mechanical wizard—he can fix any radio with a flick of his wrist. His other hobbies are stamp collecting and photography. The future will find him studying to be a biochemist at Duke or Amherst.

**MARGARET ANN KIRBY**

Girls' Chorus; Mixed Chorus; Girls' A. A.; Commercial Club; Culmen.

Peggy, one of our nice, pleasant seniors, likes music more than almost anything else—so much, in fact, that she plays the piano in church every Sunday. Perhaps her second love is typing. When she leaves Scotch Plains High, she would like to go into either a music or secretarial school. Best of luck, Peg!

**SYLVIA ANNE LEACH**

Girls' A. A.; Orchestra; Chorus; Archery Club; Band; Mixed Chorus; Las Cantadoras.

"Syl" is one of the friendliest members of our class, but always a willing worker. Playing the piano and participating in the Archery Club take up most of her spare time. Sylvia is also an ardent Bing Crosby fan. Future plans include course in costume designing at Westminster College.

**DOLORES HELENE LEDERLE**

Girls' Chorus; Mixed Chorus; Girls' A. A.; Culmen.

Dolores, smallest of the small, has many interests. Sports in general—golf and bowling in particular—appeal to her, as do dancing, art and eating. A newcomer, she made herself known immediately with "They're Here Now" (remember?). After she has established herself in secretarial work, "Del" would like to attend art school, in preparation for work in commercial art.
