

CLASS OF 1950

JEAN MARTIN

Las Contadoras; Girls' Chorus; Mixed Choir; Girls' A. A.; Candy Committee.

Jean is well known around the roller rink as "Dutchess" but in school we think of her as the girl with the ready "Hi" for everyone. If not roller skating, this pretty brunette can be found modeling the latest fashions or sighing over Peter Lawford. Jean plans to enter Northeastern Institute for study to be stenotypist.

JOHN MARTIN

Art Club; Fanscotian; Varsity Club; Golf; Culmen.

Jack, better known as "Fly," has more energy than any other ten people we know. He loves outdoor sports and cooking, but his favorite pastime is "wising around." After graduation, he intends to join the Navy, then become an electrician. We predict crossed wires and short circuits. No—really—best of luck to you, "Fly." We know you'll be tops.

VIRGINIA McELHINNEY

Ziggity Boom Club; Service Club; Girls' A. A.; Culmen.

"Mac" is known for her innocent blush and her pretty clothes. She is an excellent cheerleader and Mr. B. lover but she hates to wait. Ginny has curly, brown hair and she's as nice as she's pretty. "Mac" is undecided about her future, but we know she'll be a success in anything she tries.

KATHRYN MILLWATER

Twirler; Orchestra.

The very best majorette S. P. H. S. has ever seen—that's the way we feel about Kathryn. Compact and darling-looking, Kitty is well known for lots of things and we feel proud when she's out there leading the band. She likes all sorts of fun, especially roller skating, eating pork chops, and fascinating men. Best of everything to cute, lil' senior.
