

SENIORS

ROSE MARIE PONZIO

Service Club; Orchestra; Twirler; Girls A. A.; Spanish Club; Culmen.

A black '41 Plymouth shoots down the street—and it's "Peppy." If she isn't cruising around, you can be sure to see her in Heinz's having a vanilla milk shake. A cute li'l twirler, "Pep" has darling dimples and many friends. Rose Marie (who calls her that?) hopes to go to St. Peter's in New Brunswick to start her career as a nurse.

BLANCHE JANE RICHARDSON

Girls' Chorus.

If there's a Roy Rogers' picture in town, you're sure to find Blanche in the front row. She likes good popular music, chemistry, and Mr. Tilley. Her flair for science should be a great asset in the nursing career she expects to begin next fall. Your classmates wish you luck, Blanche.

WILLIAM HENRY SAILOR

Golf; Basketball; Art Club, President; Culmen; Fancotian.

Bill's unique sense of humor makes him popular. Another senior we can be proud of on the dance floor and on the basketball court, he is an artist besides. His trademark has adorned many a desk and book. Next year, he'll study at Pratt Institute to enter the field of commercial art.

IRENE JEAN SANGUILIANO

Service Club; Ziggety Boom Club, President; Culmen; Secretary of Student Council; Assembly Committee.

Irene, known to all as "Sange," is pretty, poised, and popular. Big brown eyes and a cute smile contribute to her charms. She has done a swell job this year as captain of that very important organization of cheerleaders. As a sincere and hard worker, "Sange" should make a very good receptionist in the near future.
