

# CLASS OF 1950

**ROSE MARIE SANTANGELO**

Commercial Club; Fanscotian; Girls' Chorus.

Rose is always ready with a pretty smile for everyone. She likes to sing, dance, and collect souvenirs. Known for her bangs and her Jimmie, she won't be forgotten in a hurry. Another commercial student, she plans to have a secretarial career after she graduates. The very best of luck to a swell senior!

**THOMAS JOSEPH SANTO SALVO**

Service Club; Student Council.

Everybody in the class of '50' knows and likes Tom Santo Salvo. Very much a man of this world, he is a snazzy dresser and a beautiful dancer. Participating in many activities, he has made innumerable friends (and many fascinating conquests besides). Tom plans to be a building contractor when he gets out of school.

**VINCETTA HELEN SAWICKI**

Culmen; Moonglowers.

With her "cheaters" on, Vinny looks (and is, we guess) studious but when she smiles, all is forgiven. New this year, she has fitted in beautifully and even says she likes good old S. P. H. S. better than Hempstead whence she came. She loathes gym and loves all else including swimming, dancing, and strumming the bass in the Moonglowers. College is her goal.

**DOROTHY SCHERFF**

Chorus; Girl's A. A.

This smiling senior will be remembered for the surprised note in her voice. She seems quiet, but it's only an illusion. Dot likes to drive and is very good at it (not a typical woman driver). As yet Dot is undecided about her work after graduation, but she would like to train as a nurse.
