

CLASS OF 1950

VELDA JEAN TIARKS

Junior Play; Art Club; Las Contadoras; Chorus; Culmen.

Vivacious Velda is a pretty blond with interesting green eyes. She can be depended upon to send everyone into hysterics with one of her innocently witty remarks. Well-rounded in her activities, she likes basketball, swimming, driving, knitting and sundaes. After graduation, Vel hopes to attend Bucknell University where she intends to study fashion designing.

JENNIE TIFFANY TOWLE

Student Council; Culmen, Editor-in-Chief; Chorus; Mixed Chorus; Girls' A. A.; Service Club; Junior Class, Vice-President; Latin Club; Citizenship Institute.

Call her either "Jen" or Jennie, it's the same girl with the cute smile and bright blue eyes. Our editor-in-chief likes to laugh, read, and is faithful to WNEW and Frankie Laine. She is undecided as to whether or not she will go to college, but one of her ambitions is to write something wonderful.

BETTE FRANCES TOWSE

Twirler; Junior Play; Phi Sigma; Girls' A. A.

Lovable, absent-minded Bette likes all sports—especially basketball and swimming—and is happiest when she's out camping with the Trailblazers. Another favorite pastime of Bette's is fooling around with cook books and ingredients. Towse, who appears as one of our twirlers, likes working with children. She is sure to succeed in her major—Physical Education—after graduation.

ROBERT TRECHE

A handsome newcomer to the class of "'50" is Bob. Besides looking like Joe High School, he acts like him and it's almost too good to be true. Bob likes hunting, model airplanes and the Navy, which he plans to join after graduation. Judging by his success in S. P. H. S., he's sure to go places.
