

SENIORS

DOLORES MARGARET TRIPET

Service Club; Culmen; Fanscotian.

Twinkling Irish eyes and friendly smile mean Dolores—gal with many, many friends. She likes to draw, to harmonize and to help people. She always seems to be rushing to her post. After graduation, she plans to be a dress designer but she's not sure where she'll study.

DOROTHY JEAN TUTT

Band; Orchestra; Service Club; Girls' Chorus; Mixed Chorus; Las Contadoras; Latin Club; Junior Play; Girls' A. A.; Culmen.

Music and chocolate frosteds are tops with smiling, dark-eyed Dot. A valuable contributor to the music department, she is also solo flutist with the New Jersey All-State Orchestra and Band. She would like to attend Sephens College in Missouri—majoring in music.

MARIAN CLAUDETTE VALENTI

Art Club, President; Service Club; Culmen, Art Editor.

Marian is one of our shortest, cutest friends and special pal of Archie Andrews. She came to S. P. H. S. in her junior year, and she has contributed lots since then. Her great love is art, but she likes to laugh, dance, and have fun besides. Marian hopes for a career in commercial art, and we hope her dream comes true.

HOWARD EDGAR VAN SICLEN

Band; Orchestra; Moonglowers; Boys' Chorus; Mixed Chorus; Science Club.

Tow-headed Howard is another contributor to our music department with his booming, baritone voice and tootin' sax. "Howie" lists basketball and dancing at the top of his list of hobbies (and well he might!). His plans for the future are trifle misty but William and Mary College in Virginia sounds good to him.
