

# CLASS OF 1950

**SABINO SAMUEL VENEZIA**

**Football; Baseball; Track; Varsity Club; Student Council.**

Did you say puny? Maybe he'll never be professor but "Little Sab" makes it up in tonnage. A big-hearted, easy-going guy, he is definitely "one of the fellas" and one of the football players in a BIG way. Sab says he may be a florist, but somehow we can't picture him potting pretty posies.

**MARILYN JEANETTE WAHLE**

This tall, blonde senior is well known for her blue 1949 Pontiac convertible. It's "luffy" and so is she. Marilyn likes swimming, dancing, bananas, and apples. She hopes to attend Drake College but we think she will attend a wedding ceremony.

**ETHEL FRANCES WAIN**

**Culmen; Science Club; Girls' A. A.; Fanscotian; Archery Club.**

Ethel is the girl who is always on the scene ready to lend a helping hand. Her favorite pastimes are sewing and cooking, which she practices at home. She's a wonderful catch for some lucky guy!!! Her interest in science will be a definite asset in her nursing work at Bates College.

**BARBARA LOUISE WERTS**

**Chorus Accompanist; Band; Culmen; Mixed Chorus; Assembly Committee.**

Barb, with lovely, long blonde hair, is the most accomplished senior. Usually heading for the music room, she is invaluable in the music department as a pianist and accompanist. Her beautiful wardrobe proves Werts is handy with a needle and thread, and besides that, she draws. Barbara hopes to go into the field of merchandising.
