

**RALPH HOWARD WISE**

**Football; Golf.**

Everyone has seen "Moon" on the football field giving outcoming players a pat on the back and wiping off their faces. A football player himself for four years, he really likes golf the best of all his sports. His expectations are to go into the Diamond and Golden Gloves Boxing, and to become a professional golfer after serving in the Navy.

**CATHERINE ANNE ZMUDA**

**Commercial Club; Culmen; Fanscotian, Business Manager; Commercial Club, President.**

Here's another pretty senior who likes sugar 'n' spice and everything nice. Cathy has interesting blue eyes that crinkle when she smiles. She loves sports, especially basketball. Vivacious and friendly, Catherine is sure to be happy, but aside from that she has no definite plans after the big day. Good luck to you, Cathy, in whatever you try!
